My peeps say Trump is taking too much credit; there's a reason he had no idea so much has been accomplished -- he and his administration aren't behind any of it. I'll give you one guess who is...

Oliver Troll Well I think Trump knows much more then he has us lead to believe just look at his Twitter comments and what he has said in the past about i.e. Hillery being a criminal. People are so quick to bash him. Now does he say weird things at times.. yes.. !

Gilla · Svara · den 26 november kl. 15:56

..... He's told what to say by the shadow government. It's all a dog and pony show. He's just as much a Reptilian as the rest of them. It's all scripted.

Gilla · Svara · den 26 november kl. 23:22

Oliver Troll I'm not buying into the all reptilian bad meme, some are good some are bad as with humans.

Gilla · Svara · den 1 december kl. 17:44

Alrighty then. Let me know how that belief system works out for you. ❤️

Gilla · Svara · den 1 december kl. 17:59

Oliver Troll I think I answered it above eloquently. Did you watch the V-series way back? I choose to be open to any possibility and I will be the first to admit if I'm 'wrong' 😊

Gilla · Svara · den 1 december kl. 18:56 · Har redigerats

No, did not watch the V series. I trust my people and the info they have shared with me. I know my mission, and I am here to share the truth. If you don't want to "buy into" the truth, then don't. Your opinion is your opinion, but I am not going to agree with something that has absolutely zero merit. Sorry, Oliver. You're on your own with this one. Trump is super bad news for humanity. No one who has an OUNCE of light in them would say the demeaning things he says about women or people of color. He has no empathy and no concept of unconditional love. He is not a leader. He is a puppet to the Reptilian agenda, and that is confirmed by the Akashic Records. The reason people bash him is because he says atrocious things about human beings, shows zero empathy, is self-absorbed and makes grandiose claims, LIES blatantly about a number of things, cannot provide proof of most of what he claims, gaslights, and behaves like a bumbling idiot with zero class. In other words, he instigates the judgment and criticism he receives. He is not one to admire. And no, this does not mean that I support democrats or Hillary. I don't allow myself to be polarized, manipulated or mind controlled by the Reptilian Agenda.

Gilla · Svara · den 1 december kl. 19:19

Oliver Troll I don't agree with lots of things Trump does but blaming things on a race entirely does not hold water for me which was my whole point with the comment.

If Hillary would have been POTUS things would have been much much worse.

People so totally miss the bigger picture! A POTUS is puppet by design. This is old news BUT Trump can't be controlled by the DEEP STATE as before cause he is unpredictable look at the bread crumbs connected from Pizzagate to Saudi Arabia and onwards...

Why has he so many militaries around him? Everything is connected!!!

Gilla · Svara · den 1 december kl. 22:49 · Har redigerats

Sounds like you got it all figured out.

Gilla · Svara · den 1 december kl. 22:56

Oliver Troll not in a life time, but dot connecting is one of my favorite treats.. nothing is by chance remember.

The galactics can advise just so much but they are not the ones choosing to come down here and do the work.

Gilla · Svara · den 1 december kl. 23:01

If you say so, I guess it must be true, **Oliver**. You have ALL the answers. I will just shut up on my own group feed now because clearly I am just clueless and stupid compared to you. You, after all, have living, breathing human beings and reptilian beings as sources behind all of your intel and info... and they would never, EVER deceive ANYone, for ANY reason, would they? I'll just go back to being stupid and clueless now. I'll be sure to tell all the ascended masters and Pleiadians that we no longer need them because you said so. BTW, you're WRONG... the Pleiadians ARE here and WE ARE doing the work which was MY ENITRE POINT with this post, but that blew right over that space between your ears, didn't it? THE PLEIADIANS ARE THE ONES BEHIND THE ARRESTS, INDICTMENTS and all that "work" Trump thinks HIS administration accomplished. Reptilians are NOT going to order arrests and indictments against themselves and their minions. Missed those dots, didn't you? PS. Don't come here to my group and talk down to me when you are clearly NOT eloquent, nor do you even know what you are talking about. There are good Reptilians because a TV series they created back in the 80s and then remade recently to mindfuck the masses in their favor told you that? REALLY? PLEASE WAKE UP!!!

Gilla · Svara ·  1 · Igår kl. 00:40

Oliver Troll Ah so this is about being wrong or right!!! Your emotional outburst is very telling. Good luck on your timeline. I'm not talking down on you I simply put in another perspective if you want to keep up the reptilian fear porn and what not it is entirely up to you. All I said was that not all reptilians are bad it is like saying all humans are. How is that as a thought? BUT you seem to totally committed to that narrative so be it. Oh btw I'm wide awake no worries..
