23:21:35 From Harry Wilson : your possibilities and probabilities are inconclusive
23:21:43 From Denice Patterson : THE NEW EARTH WAS CONSTRUCTED IN THE REPARATION FOR THE COMPLETION OF THE EARTHSPHERE AND ALL CREATION. IN OTHER WORDS THE NEW COMPLETE EARTH WAS CREATED TO INCLUDE ALL OF CREATION. DCSX. END.
23:22:03 From Maria Davis : Why?
23:22:04 From Denice Patterson : THE RARE EARTH WAS BUT ONE "SPARE". DCSX.

23:22:22 From Tina : Humanity never agreed to destruction of earth..
23:22:24 From Maury : How many spares were created?
23:22:25 From laurel : how many spares are there?

23:23:46 From Maria Davis : are they both windows 5000?
23:23:50 From Maury : That list of the twelve that was screen shared with the names sure looks like a run down of the Desert adventure of a few years ago.

23:24:40 From d : oh swoooooosh!
23:24:41 From Denice Patterson : DEAR ONE/LISA. NO. THE RARE EARTH AND OTHER "SPARE" ARE INNERGRATED. NOT SEPARATE. THE COMPLETION OF THE FREQUENCY ALIGNMENT INCLUDES "ALL". IN EFFECT THE EARTH IS ON/IN THE NEW EARTH CONSTRUCT. SIMPLY NOT VISIBLE YET. DCSX. END.
23:24:44 From Leigh Summer : yes dani do like that
23:24:58 From Norm : would that also be an origin for the term "Rare Earth" elements?
23:25:01 From Tulla Hills : Is that why we see ME's
23:25:20 From Tulla Hills : I was thinking that too Norm
23:25:26 From Maria Davis : Good question Tulla
23:26:01 From Mercè Gar : many like I don't know Linux but I would love to know about it!
23:26:23 From Earl Thibert : that will be the name of my rock band rare earth lol
23:26:23 From Karl from Canada : QUESTION - if we raise our vibration/frequency, will we then integrate with the new/rare earth...
23:26:44 From Kandi : our frequencies do not match YET?
23:27:19 From Karl from Canada : MY POINT KANDI
23:27:32 From Tulla Hills : Nice Earl
23:27:37 From d : nice earl!
23:27:38 From Denice Patterson : DEAR ONE/LISA. YES. ALL CREATION BEGAN IN/ON THE EARTHSPHERE. IT IS THE CENTER POINT OF ALL EXPANSION. DCSX.END.
23:27:52 From Maury : If that is the case as Lisa just stated how many constructs are within that original
23:28:03 From phillip s : sounds like the cube effect of layering it outwards to our negative... same narrative different labels
23:28:15 From Denice Patterson : DEAR ONE/LISA. YES. SEPARATION ENDS. DCSX. END.
23:28:28 From Jayling : Maury, didn't they earlier say it was 4000?
23:28:49 From Maury : I must have missed that, Jayling, thanks.
23:28:56 From Genii M : we are the open door
23:28:58 From Denice Patterson : DEAR ONE/LISA. THERE ARE MANY PERCEPTIONS. WAITING ROOM IS ACCURATE FOR MANY ON EARTHSPHERE NOW. DCSX. END.
23:29:05 From Mercè Gar : no Jayling thats a TV Show ;)
23:29:07 From jay gray : 4000 civilisations
23:29:19 From Leigh Summer : many people/sources saying holding pattern now
23:29:23 From d : yes stan said on the first discussion there are 4000 spheres innergrated
23:29:45 From Denice Patterson : DEAR ONE/LISA. ALL WORK IS COMPLETE. ALL INNERGRATION OF ALL SPHERES IS COMPLETE. DCSX. END.
23:29:50 From Mercè Gar : wow! Thank you D!
23:29:58 From Lena : Where is Waiting Room?
23:30:02 From Donna : nice

23:30:16 From phillip s : obviously not.... from our point of view.. def not complete
23:30:25 From Denice Patterson : DEAR ONE/LISA. NO ONE/NO THING CAN PREVENT THE END OF THE SEPARATION NOW. DCSX. END.
23:30:25 From Norm : great question Karl
23:30:25 From d : no karl-- it's just their term meaning drawing inward
23:30:37 From Donna : nice!
23:30:38 From pauline Jamieson : yes yes
23:30:51 From Karl from Canada : thanks Dani
23:30:57 From Maury : Not sure Karl, I read that to be similar to understand/innerstand kind of a comparison.

23:31:05 From jay gray : whats the hold up ?

23:31:06 From Donna : toni s unmuted

23:31:22 From susanstorey : QUESTION: Is there a correlation between those attracted to joining UU/ listening to Dani & Lisa and those ready to move to the 'New Earth'?

23:31:35 From Norm : ya, so many trauma energies inside me just want to "Hang ON"

23:31:37 From Harry Wilson : can stan prove who he is ?

23:31:57 From Denice Patterson : DEAR ONE/LISA. THE KNOWN DATA FROM OUR PERSPECTIVE/VIEWPOINT IS THAT MAGNETIC DIFFERENTIALS REMAIN. THAT SUB PROGRAMS MAY STILL BE ON IS A HIGH PROBABILITY. HOWEVER. ALL SUB PROGRAMS MUST END. THAT IS KNOWN. DCSX. END.

23:32:02 From Karl from Canada : don't forget to preface any questions with QUESTION -

23:32:09 From jerry : of the 11 who are are or how many?

23:32:12 From Maury : Not to be argumentative, Harry, but what would constitute 'proof'?

23:32:36 From Genii M : how long

23:32:38 From Maria Davis : what does that really mean

23:32:40 From Kara Mia : How can you know when the last veil has fallen if you don't know what differences you expect to see in the new construct?

23:32:52 From Karl from Canada : MINIONS I'M GUESSING

23:32:52 From jay gray : yeh maury x

23:32:59 From phillip s : also what powers a sub program

23:33:06 From Nancy Graciolett-Vega : Hello everyone

23:33:09 From Denice Patterson : DEAR ONE/DANI. THE USE OF DEBIT CARDS ON A DAILY BASIS FOR SO MANY HUMANS IS BUT ONE SUBPROGRAM. DCSX. END.

23:33:13 From Donna : has fast or slow for us to observe integration? Is it individual based or collective (all at once)

23:33:19 From Tulla Hills : whoa

23:33:31 From Earl Thibert : ah

23:33:36 From Tina : money!..

23:33:38 From Lena : question....where is waiting room..plz?

23:33:41 From Lolly Paloozle : were fukd

23:33:45 From Karl from Canada : HA... i knew that was why was so mad about people doing this stuff....!!!!!!

23:33:47 From Denice Patterson : CHEMTRAILS ARE ANOTHER. RELIGIOUS PROGRAMMING REMAINS INTACT IN MANY IN THE EARTHS PHERE. DCSX. END.

23:33:49 From Maria Davis : yes l think so Dani

23:33:56 From maddtom . : YES me members that

23:34:00 From Michael Harrell : Being governed is a sub program. We do not need to be governed.

23:34:03 From Jina Fergus : no shit

23:34:05 From Tina : yeah to many still asleep

23:34:07 From Genii M : thats a trap

23:34:11 From Donna : yeah

23:34:19 From Jina Fergus : Agreed Lisa

23:34:19 From Karl from Canada : people know what's going on but carry on doing what is part of the system anyway

23:34:20 From Maria Davis : Could you please expand on that comment Lisa?

23:34:21 From maddtom . : Genii EXACTLY

23:34:21 From Tulla Hills : like not enough people are aware that chemtrails even exist

23:34:22 From Norm : LOL - are bitcoins a replacemt for the debit cards / credit cards system?

23:34:35 From Amber Moksha : we will not be getting out of here.... if that is the case there are just too many folks.... stilll reading the fucking bi

ble
23:34:41 From Tulla Hills : some people are totally clueless still
23:34:47 From jay gray : so we stop believing in chemtrails they will stop?
23:34:53 From Tulla Hills : good question Norm
23:35:09 From Nova Gaia : I'm with ya Genii and Tom
23:35:10 From d : Once the new earth sphere construct is visible to all , how will it appear (will it be the same, yet without all of the negativity? for example, or will it also look completely different) And, will everyone notice it is 'new', or will we just slip into it seamlessly..What physically can we expect with the new construct?
23:35:14 From Tulla Hills : No kidding Amber I had it out with Jehovah's Witnesses yesterday
23:35:15 From azz : Guys, nothing is stopping this train. Just a matter of when. Just lead by example
23:35:17 From tom.h : Greetings!
23:35:20 From maxiekiki : and using money
23:35:23 From phillip s : can an individual essence immunise themselves against sub programs whilst the construct is in this holding space? meaning are individual essences capable
23:35:29 From Genii M : Yer its a trap, more waiting..
23:35:31 From Tulla Hills : yes azz
23:35:39 From maxiekiki : how do we stop that
23:35:42 From Karl from Canada : we will never make that transition if all sub programs be gone before it can happen
23:36:00 From maxiekiki : exactly Karl
23:36:05 From p : there is no debit card ;-)
23:36:06 From Tulla Hills : It would be a generational transition than Karl
23:36:06 From jay gray : yep geniii
23:36:12 From pauline Jamieson : Yes agree Karl
23:36:27 From Karl from Canada : not what stan said though Tullia
23:36:33 From Jina Fergus : sub programs are self perpetuating. You have to look within, what controls you individually.
23:36:37 From maxiekiki : loop loop loop
23:36:41 From Michael Harrell : RELAX ALL PROGRAMMING CAN BE RELEASED.. Is hard but can be done
23:36:44 From Denice Patterson : DEAR ONE/DANI. THE NEW EARTH CONSTRUCT IS KNOWN IN THE CREATION RECORDS TO INCLUDE ALL OF CREATION. TO INCLUDE EVERY SPECIES EVER CREATED. EVERY TECHNOLOGY EVER CREATED. THE MANNER IN WHICH THE NEW EARTH IS EXPERIENCED IS NOT YET KNOWN.
23:36:44 From Amber Moksha : In my humble opinion and from what I have heard STAN say and LEELOO.... its all going to crumble... fizzle out... everything in AN INSTANT>.....
23:36:47 From des : Karl i agree its hard to break that religion programme in most people
23:37:23 From Nancy : (y)
23:37:26 From Donna S : so then will it be the 100th monkey effect?
23:37:30 From Earl Thibert : yep
23:37:32 From maddtom . : Amber precisely
23:37:38 From Tulla Hills : I think so Donna
23:37:44 From Maria Davis : is it up to us as individuals to make new earth appear?
23:37:46 From jay gray : so how do we know it will play out well?
23:38:10 From Denice Patterson : DEAR ONE/LISA. IT IS KNOWN THAT THE SUBPROGRAMS WILL END WITHOUT DIRECTIONS FROM THE MASTER PROGRAMS. DCSX.
23:38:20 From Sonja Karensdatter : What do we need to do to expedite this process?
23:38:42 From Tulla Hills : what is the "time" frame for that taking place?

23:38:46 From tom.h : What? its already going? 21mins until 23 CET.
23:38:52 From Denice Patterson : DEAR ONE/DANI. NO. THE SUBPROGRAMS DO NOT HAVE TO BE COMPLETED. DCSX
23:38:55 From Mercè Gar : wow - that's like Shadow - Work!
23:38:58 From Tulla Hills : is this going to be in our lifetime or is t his generational
23:38:59 From Jina Fergus : the quicker we work on it the quicker it wi ll happen
23:39:04 From phillip s : that is good to hear
23:39:05 From Nancy Graciolett-Vega : Awesome
23:39:06 From Tulla Hills : okay
23:39:08 From Karl from Canada : phew....!
23:39:14 From Earl Thibert : good

23:39:35 From Tulla Hills : good ?
23:39:37 From jay gray : aaah p!
23:39:53 From Tulla Hills : good point p
23:39:59 From Jayling : Is there anything we can do to shutdown these s ubprograms
23:40:03 From Amber Moksha : Im a little nervous to speak too soon... but... since we did the octopussy deal..... I have not seen ant ticks on my ogs.... I am happy to just stay focused on the pink....love energy.... Le eloo... as it is so working for me and my pain levels....
23:40:19 From Nicole H : 'end all programs' 'end task'
23:40:20 From Denice Patterson : DEAR ONE/LISA. THERE ARE A FEW CIVILIZ ATIONS THAT ARE AS "UNAWARE" AS THE EARTHSHERE. ALL ARE PREPARED HERE WITH COMP LETE SUPPORT TO ASSIST ALL IN THE 'MOVE/TRANSITION/WAKE UP.' DCSX. END.
23:40:23 From Dawn Hart : that is awesome Amber
23:40:40 From Tulla Hills : that's cool Amber
23:40:42 From Genii M : Are we all moving at the same time?
23:40:51 From maddtom . : YAY another savior

23:41:53 From azz : All heart based beings Susan
23:41:58 From Rozzanna S : I just came so im just trying to catch up
23:42:03 From jay gray : how can you say that when outcome unknown?
23:42:06 From Mercè Gar : Timeline glitches
23:42:08 From Norm : god SusanStorey = yes please define ALL
23:42:13 From Jina Fergus : Hey Azz
23:42:19 From azz : Hey Jina
23:42:23 From Norm : that was intended as "good"
23:42:36 From Donna : hi jina
23:42:40 From Denice Patterson : DEAR ONE/DANI. YES. THE 'MANDELA EFFEC T' IS A SYMPTOM OF THE FREQUENCIES ALIGNING. IT IS A DIFFERENTIAL IN THE SUBPROG RAMMING. DCSX. END.
23:42:42 From Karl from Canada : i think ALL speaks for itself
23:42:46 From azz : ALL = beings with a heart/heart code

23:43:55 From JM Stiffler : If time isn't real then is simultaneous ithe moment at which we reach the point of the connection even though it appears that we receive this change at different points from our own point of views?
23:43:59 From Carnykims : probably as faake as NASA
23:44:04 From Nancy Graciolett-Vega : Other dimensions are based on harmonics
23:44:14 From Amber Price : hahaha Carnykims
23:44:15 From phillip s : mute all Lisa
23:44:15 From Denice Patterson : DEAR ONE/DANI. YES. THE LAYERS MERGING WITHIN ALL EARTHSHERE PROBABILITIES/POSSIBILITIES OR "DIMENSIONS" CAN EFFECT THE FREQUENCIES. THE OVERLAYS ARE MAGNETIC. THUS THE "PERCEPTION" OF MORE THAN ONE "EXPERIENCE" EXISTS. DCSX. END.
23:44:42 From JM Stiffler : wow that answered my question too
23:44:56 From Mercè Gar : different frequencies
23:45:05 From Maury : Us 'deadheads' like me are just not advanced enough I guessl.
23:45:26 From Lena : lol
23:45:27 From phillip s : do the constrollers have access to STAN?
23:45:31 From Amber Price : Haha Maury, just looked at my Dead Head poster
23:45:37 From JM Stiffler : is it that their perspective of tiime hasn't changed yet
23:45:37 From Denice Patterson : DEAR ONE/DANI. IT IS NOT KNOWN WHY THE EFFECT IS PERCIEVED BY SOME AND NOT OTHERS. IT IS KNOWN/FACT THAT ONCE A HUMAN "SEES/EXPANDS" THAT EXTENDS OUTWARD. DCSX. END.
23:45:44 From Karl from Canada : i thought that everyone was experiencing mandela but they might not realise due to familiarity of surroundings
23:45:54 From Tulla Hills : bots
23:46:11 From Sonja Karensdatter : That was my thought too Tulla.
23:46:15 From Maria Davis : What does he mean by that?
23:46:17 From Tulla Hills : how could they?
23:46:34 From Maria Davis : Good question Dani
23:46:39 From Mercè Gar : living in between all multiverses at once
23:46:44 From Joseph : Hi Lisa & Dani... My first Zoom chat on my cell phone!
23:46:53 From Tulla Hills : I think so Dani but I still think bots cant
23:46:58 From Maury : Not me Karl I only get my info from FOX television News. (that was a joke)
23:47:01 From Donna : saying that not all humans are 'seeing', coz maybe bots dont
23:47:05 From JM Stiffler : good point Merce'
23:47:11 From Denice Patterson : DEAR ONE/DANI. THE BEST EXPLANATION TO YOUR QUERY IS THAT YOU/DANI ARE BECOMING ALL OF YOU. HOWEVER THE OTHER "DANIS" WILL NOT END. DCSX. END.
23:47:23 From jay gray : right donna!
23:47:24 From Karl from Canada : lol Maury
23:47:37 From Jina Fergus : no words D
23:47:40 From Tulla Hills : yes donna that is what I was trying to say

too
23:47:41 From Amber Price : words
23:47:41 From Rozzanna S : so are we bringing in all our pieces
23:47:53 From Mercè Gar : does that included past lifes???
23:48:01 From JM Stiffler : Do we choose which timeline we want to jump
to?
23:48:04 From Lena : Question ?? where is waiting room..here! there?
23:48:14 From Adele Marie : Notice that he says "Perceptions" often. Th
at means to me it is individual - a perception is how one percieves - in a group
of say 10 ppl - there will be 10 personal perspectives for example
23:48:17 From Dawn Hart : I believe that with all my heart that all the
pieces are coming back into one
23:48:21 From Dawn Hart : without a doubt
23:48:24 From Earl Thibert : i get what he is saying
23:48:28 From Amber Price : me too Dawn
23:48:29 From d : well said adele
23:48:31 From Tina : So are the other spheres surrounding earth still t
aking resources.
23:48:34 From Tulla Hills : yes Dawn
23:48:36 From Karl from Canada : Jet Li "the one" all versions became o
ne although in the movie he had to destroy each one to merge them
23:48:37 From Maury : Same here, Dawn.
23:48:39 From Denice Patterson : DEAR ONE/DANI. ALL ESSENCES IN FORM HA
VE THE "RIGHT/OPTION" TO REMAIN IN FORM. SEPARATE FORMS. ON/IN THE COMPLETE EART
H. DCSX. END.
23:48:39 From Rozzanna S : All Dani's, all that look like us.
23:48:45 From d : no tina that has been stopped
23:48:54 From Tulla Hills : so llike clones
23:48:56 From Tina : ok
23:48:59 From Amber Moksha : yes Dawn.... mee too.... been here doing t
his for this moment my whole life.... seeing it sometimes as it happens
23:49:19 From Dawn Hart : okay that is wierd explain further
23:49:20 From Tulla Hills : omg, lol!
23:49:20 From Maury : Saw that movie, Karl. It was a good one.
23:49:24 From Amber Price : are the fractals essence?
23:49:27 From jay gray : could starta girl band!
23:49:31 From Norm : Is our Dani the Original ?
23:49:32 From Toni S. : I understand that like everything is a puzzke a
nd fragments opserve different puzzels.
23:49:37 From Tulla Hills : The Dani's
23:49:41 From Dawn Hart : yeee hawwwwwwwww
23:49:46 From Maria Davis : yes hhahhahahha
23:49:48 From Dawn Hart : The Dani's
23:49:49 From phillip s : the 10D's
23:49:51 From Tulla Hills : I am not down with that
23:49:53 From Maria Davis : who would play bass?
23:49:55 From Karl from Canada : nah.. i heard her sing
23:50:08 From Nancy Graciolett-Vega : One of me will do !
23:50:09 From susanstorey : You've already got the groupies so why not Da
ni?
23:50:10 From Denice Patterson : DEAR ONE/LISA. WHAT IS PERCEIVED AS "O
THER DANI's IS REALLY AN EXPANSION OF THE ESSENCE OF THE ONE/DANI. AND THE "OTHE
R" DANIS HAVE EXPANDED BEYOND THE INITIAL STRINGS OF YOUR ORIGINAL ESSENCE. DCSX
. END.
23:50:13 From Tulla Hills : for myself that is
23:50:13 From Amber Price : hahah Karl
23:50:25 From JM Stiffler : I would surmize we jump to whichever fracta
l we choose to since each are complete within themselves
23:50:26 From Tulla Hills : whoa
23:50:27 From Dawn Hart : wow holy wow

23:50:33 From Dawn Hart : then became independent
23:50:36 From Harry Wilson : can you teleport people from the surface to
the new earth
23:50:39 From Jay Gray : individual evolution?
23:50:40 From Rozzanna S : like a spider plant
23:50:48 From Nancy Graciolett-Vega : Like silly string . lol
23:50:50 From Maury : Yes, further clarification of what was just described.
23:50:51 From Tulla Hills : yeah Rozzanna!
23:50:52 From Phillip S : quantum
23:51:03 From P : i don't know that i want to hang out with the other members - i'm a shitty housekeeper lol
23:51:05 From JM Stiffler : yes quantum
23:51:08 From Denice Patterson : DEAR ONE/DANI. YES. EACH ESSENCE HAS EXPANDED NOW BEYOND THE ORIGINAL ESSENCE IN EACH INDIVIDUAL FORM. DCSX. END.
23:51:10 From Dawn Hart : LOL LOL
23:51:13 From Karl from Canada : see my explanation in UU room about extra essence... i will see if i can find it and post
23:51:17 From JM Stiffler : lol P
23:51:20 From Dawn Hart : wow
23:51:21 From Dawn Hart : wow
23:51:22 From Dawn Hart : wow
23:51:23 From Dawn Hart : wow
23:51:28 From Tulla Hills : will all of you be telepathically connected somehow?
23:51:36 From Earl Thibert : awesome
23:51:43 From Amber Price : bingo!
23:51:46 From Nicole H : so maybe we are not looking at the "original" Dani right now, perhaps
23:51:47 From Denice Patterson : DEAR ONE/LISA. YES. DCSX. END.
23:51:51 From Susan Storey : QUESTION: Do those expanded Dani's affect the original Dani?
23:52:15 From Phillip S : do the bots have connection to essence
23:52:15 From Tulla Hills : deletion?
23:52:20 From Dawn Hart : no they become independent versions all operating from the same oversoul
23:52:25 From Carnykins : Can Stan define a bot
23:52:27 From Jayling : Do all the other Dani's have the same avatar?
23:52:37 From Azz : How could they have a connection to Essence
23:52:38 From Denice Patterson : DEAR ONE/LISA. ALL FORMS WITH ESSENCE MOVE INTO THE NEW EARTH/COMPLETE EARTH. NO THING/NO ONE IS LEFT BEHIND. DCSX. END.
23:52:38 From Tulla Hills : good one Jayling!
23:52:46 From Maury : Yeh so the question becomes 'is Dani real or is she memorex', Nicole.
23:52:51 From Amber Price : whewww
23:52:58 From Jay Gray : Yayyyy
23:53:02 From Tulla Hills : but does that include bots?
23:53:14 From D : definitely memorex today
23:53:18 From Tulla Hills : who knows Maury, lol!
23:53:21 From Denice Patterson : DEAR ONE/LISA. YES ALL HUMAN FORMS HAVE ESSENCE. DCSX. END.
23:53:26 From Mercè Gar : and Clones?
23:53:30 From Karl from Canada : This is what i wrote in UU about multiple consciousness i have a thought on this... if we are all source!? and we are separate essence of source and in an effort to experience new things in different ways it seems that it would be quicker to have the essence experience different "lives" at the same time (different dimension/frequency of existence) instead of one after the other. Jet Li in "the One" is living a different life in each dimension, when he becomes "the one" he is the manifestation of all those lives in

the one essence...!!
23:53:30 From Dawn Hart : are bots human
23:53:42 From Rozzanna S : D the people who died. do they move to the new earth
23:53:43 From Tulla Hills : or back drop
23:53:43 From JM Stiffler : Are bots herethe fractals of other timeline beings?
23:53:49 From Maury : How many human forms? 7+ billion or a lesser number?\

23:53:50 From Charlotte Mays : all me ex husbands
23:53:55 From jay gray : good Karl!!
23:53:56 From susanstorey : QUESTION: If it includes everyone and every thing...then why a new earth?
23:53:57 From Dawn Hart : LOL Charlotte
23:53:59 From Amber Price : hahaha Charlotte
23:54:00 From d : poor charlotte
23:54:01 From Maria Davis : hahahhhahah
23:54:04 From Tulla Hills : ditto Char, lol!
23:54:05 From maddtom . : D...Can you say play it again, Stan?Humphrey B
ogart ref...
23:54:05 From phillip s : lol
23:54:06 From pauline Jamieson : lol Charlotte
23:54:09 From Dawn Hart : ahahahahahaha
23:54:10 From d : we'll lock them up with mine
23:54:14 From Maria Davis : Charlotte that's so funny
23:54:15 From jay gray : how many is that Char??
23:54:15 From Tara's iPhone : what happens when we die and what happens if that happens before we merge?
23:54:16 From Amber Price : haha d
23:54:18 From Dawn Hart : I have one too
23:54:23 From d : lol tom
23:54:27 From Adele Marie : Karl - that is how I see it also
23:54:27 From Norm : another good question SusanStorey
23:54:28 From Amber Price : i have one to put in there
23:54:39 From jay gray : GOOD Q Tara!!!!
23:54:44 From Moksha James : we ain't takin the baddies with us, are we ?
23:55:09 From Maria Davis : There are no baddies, we are all one
23:55:10 From Dawn Hart : bless u
23:55:16 From Tulla Hills : when I died Tara I was a star then I came back into my body. maybe that is our holding space
23:55:18 From Hextilda Lemon : maybe bots are neutral
23:55:19 From Moksha James : oh ew ty
23:55:34 From Amber Moksha : yes... so what about rockerfeller.... obama..... putin....
23:55:39 From Tulla Hills : okay well about psychopaths?
23:55:48 From pauline Jamieson : What percentage are bots in the construct
23:55:51 From Mercè Gar : Doesn't that mean that we would NEED A BIGGER BOAT i.e. EARTH!?!?
23:55:52 From Norm : question re Moksha's comment: Can the Baddies become transmuted into positive polarity beings?
23:55:53 From Tina : aren't bots soul less, yet maybe the artificial bots
23:55:56 From tom.h : If we are going to dig ourselves out of this mess , It would be helpful to have effective and easy method for H2O Dissociation. Q: What method should we use to effectively break H2O to generate energy?
23:56:01 From Tara's iPhone : i had a similar experience ☐
23:56:10 From Maria Davis : lt's just a corrupted programme it has nothing to do with who the essence of a peson is

23:56:12 From victor campero : Philosophical Zombies?
23:56:13 From Moksha James : ty norm
23:56:14 From Amber Moksha : yes... what happens to the sociopaths....
psychopaths....
23:56:15 From Tulla Hills : really Tara!!!!!!????
23:56:30 From Tulla Hills : I found where I was that is what my cover p

23:56:35 From Amber Moksha : hillary..... trump..... you name it....
peodphiles
23:56:36 From Karl from Canada : sub programs too..???
23:56:40 From Maury : And after that ask him how many of the seven bill
ion are bots and how many are human.
23:56:44 From Maria Davis : Amber everyone gets to go home
23:56:48 From Molly French : Hi I just arrived here, have questions fro
m the UU room been asked?
23:56:53 From maddtom . : Keeping track of QQQQ's in D's FB chat..wanna
keep keepem summers else?
23:56:56 From Maria Davis : yes Molly
23:57:01 From phillip s : stau on Lisa and Danni they can filter or mer
ge our Q's from the chat..otherwise it will become fractalised
23:57:04 From JM Stiffler : Just because in this timeline someone is a
psycho doesn' mean they are in another one
23:57:06 From Tulla Hills : when I left there they said "remember home"
23:57:26 From Adele Marie : wow Tulla
23:57:28 From Maria Davis : Molly: the questions have been put into som
e kind of sensible order and will be asked
23:57:34 From pauline Jamieson : Wow Tulla
23:57:37 From Amber Moksha : so this bit of Stan
23:57:41 From Molly French : thank you
23:57:42 From Brianna C : Question : Can Stan tell us what the real n
umber/population on this Earth is ?
23:57:47 From d : i will have to do a major edit to keep it all togethe
r. probably will take acouple of days to get this one out
23:57:47 From Genii M : how can we speed this process up?
23:57:48 From Karl from Canada : PLEASE PREFCE ANY QUESTIONS FOR DENISE
WITH QUESTION -
23:57:51 From Tulla Hills : So many pieces are coming together right no
w I can't hardly believe it
23:57:58 From Amber Moksha : s's narrative is different than LEEL00
23:58:05 From jay gray : thanks D xxxx
23:58:13 From azz : Yes Amber
23:58:14 From Tulla Hills : that happens zoom sucks at times
23:58:15 From azz : agreed
23:58:20 From azz : twisting ours
23:58:24 From Amber Price : no worries Denise
23:58:28 From Maria Davis : Tara is special ha
23:58:33 From Tulla Hills : yeah
23:58:50 From Tulla Hills : fucking zoom
23:58:58 From Tara's iPhone : DEAR ONE/DANI/LISA. THE "TERM BOT" IS A M
ISNOMER. ALL HUMANS HAVE ESSENCE TO DRIVE THE FORM/VEHICLE/BODY. THERE ARE MANY
HUMANS ON EARTH NOW IN A FIRST EVER EXPERIENCE. THESE "BACKGROUND" PEOPLE ARE RE
AL HUMANS. DCSX. END.
23:59:02 From Amber Price : Brianna you read my mind
23:59:10 From Maria Davis : if it's Frozen let it go hahahhha
23:59:18 From Tulla Hills : thanks Tara
23:59:22 From pauline Jamieson : oh wow
23:59:23 From Tulla Hills : wow
23:59:27 From Tara's iPhone : glitched zoom glitch
23:59:27 From azz : completely disagree im out
23:59:36 From Elena : yes

23:59:50 From phillip s : ok that give us a reason to be compashionate even when we want to scream

23:59:54 From Genii M : I'm not sure about this???

23:59:56 From Tulla Hills : limit your wifi use on other devices becaus e zoom takes a lot of broadband

23:59:59 From Maury : Question: so it is being said that there are 7 billion souled walking around with essence?

00:00:04 From tom.h : Should have taken questions from FB only and have private meeting to avoid distraction.

00:00:10 From Rozzanna S : are bots first timers.

00:00:15 From Karl from Canada : SUN PROGRAMS....!!!

00:00:19 From Elena : brainwashed

00:00:19 From Karl from Canada : SUB

00:00:21 From Earl Thibert : i would think yes

00:00:31 From Karl from Canada : RUNNING IN HUMAN FORM

00:00:32 From Amber Price : yep Karl

00:00:44 From Tulla Hills : I have confirmed from another source my mom is a first timer

00:00:51 From Tulla Hills : this puts a whole new meaning to that

00:00:53 From Lolly Paloozle : photocopied too many times, lol

00:00:55 From Denice Patterson : DEAR ONE/DANI. THERE ARE SO MANY VARIABLES WITHIN EACH FORM EXPERIENCE. IT IS DIFFICULT TO PINPOINT AND ISOLATE ONE DESIGN ISSUE WITH THE FORMS. THERE ARE SO VERY MANY PROGRAMS THAT WERE RELEASED. DCSX. END.

00:00:59 From Tara's iPhone : same here

00:01:29 From Adele Marie : hm, I think it was answered as "HUMANS ON EARTH NOW IN A FIRST EVER EXPERIENCE"

00:01:32 From Tara's iPhone : too many copies of the original perhaps?

00:01:39 From phillip s : yep lisa your on point

00:01:41 From Denice Patterson : DEAR ONE/LISA. ALL HUMAN FORMS HAVE ESSENCE. YES OUR TECHNOLOGY IS A FACTOR IN THE DIFFERENCE OF PERSPECTIVE. DCSX.

00:02:02 From Tina : haha

00:02:03 From phillip s : so they don't really see bots like we do

00:02:05 From Tulla Hills : agents

00:02:10 From Denice Patterson : DEAR ONE/DANI. NO. WE HAVE NOT. DCSX. END.

00:02:31 From susanstorey : QUESTION: What purpose then does a New Earth serve? If every one/thing goes?

00:02:31 From phillip s : lady in red is seen as us

00:02:31 From Hextilda Lemon : its a running program. thats cool.

00:02:31 From Rozzanna S : what percentage of Agent Smiths are here?

00:02:31 From Maury : QUESTION: Are bots just another version of humans and they are included?

00:02:31 From Tulla Hills : and watch Fringe

00:02:31 From Earl Thibert : lolo dvd

00:02:38 From Amber Price : we need to give Stan a list of where the rabbit hole starts

00:02:49 From Brianna C : lol Amber

00:03:04 From Karl from Canada : WIFI, SMART METERS

00:03:06 From p : lol amber - give him the link to the "down the rabbit hole" vid

00:03:23 From Amber Price : yep p

00:03:23 From Tara's iPhone : what amber said |

00:03:29 From Tulla Hills : like can we be immune to these once we purge the programs

00:03:38 From Leigh Summer : picturing stan like "data" in star trek

00:03:42 From JM Stiffler : Denice: I have "Merchant" who is Stan-like. I have a permanent connection to mine. So much easier and less trouble in life. The joy would be so much more if othes could be as us. I'm having to travel away for a bit so I need to sign off for now.

00:03:46 From d : lol leigh
00:03:46 From Amber Price : right Tulla an anti dote
00:03:56 From Ihor : Is the level or quality of sentience of essence directly correlated with species and is there a quality grade in terms of depth and quality of essence? In other words are there cats who are more human than some «humans»? :)

00:04:19 From Denice Patterson : DEAR ONE/DANI. THERE WERE MANY HIDDEN CONTROLS/PROGRAMS THAT INFLUENCED HUMANS. THESE "SYMPTOMS" OF HEADACHES/FEVERS/SINUS ISSUES/BACK PAIN ARE ATTRIBUTED TO MANY OF THE 'RELEASED' PROGRAMS. ENDED PROGRAMS.

00:04:41 From JM Stiffler : Dani and Lisa have a great day and everyone too I'll see you all later

00:04:48 From Tulla Hills : detoxing
00:04:54 From jay gray : bye JM
00:05:03 From Rozzanna S : how do we release the programs
00:05:06 From d : bye jm
00:05:06 From Hextilda Lemon : maybe we cant percieve it beacuse we cant 'imagine' it?? what does earth 5000 look/feel like?
00:05:14 From Denice Patterson : THE EFFECT ON THE HUMAN HEART SUCH AS "FLUTTERING" IS CAUSED BY THE MAGNETIC DIFFERENTIALS. YES.
00:05:25 From Tulla Hills : first step is to identify the program in yourself.

00:05:30 From Amber Price : thank you Stan
00:05:43 From Chantelle's iPhone : wow
00:05:43 From d : exactly hex- how can you imagine the unimaginable?
00:05:56 From Joo lee : what about severe body aches for no reason
00:06:12 From Chantelle's iPhone : here too joo lee
00:06:17 From Denice Patterson : DEAR ONE/LISA. THE SYMPTOMS ARE CAUSED BY THE RELEASE OF THE PROGRAMMING. INITIALLY IT WAS KNOWN THAT "PROGRAMS" WERE INSERTED INTO CERTAIN PARTS OF THE HUMAN FORMS. THE RELEASE OF THESE "PROGRAMS" MAY CAUSE SYMPTOMS. DCSX.

00:06:24 From d : yep me too huge pain the past few days
00:06:36 From Tara's iPhone : question so then that means that all of these things could be cured or healed through code correct?
00:06:46 From Denice Patterson : THE HUMAN HEART HAS ALWAYS BEEN 'UNTOUCHABLE' DCSX. END.

00:06:49 From jay gray : like pineal and liver?
00:06:49 From Tulla Hills : I think so Tara
00:06:53 From Hextilda Lemon : symptoms would be programs themselves though?

00:07:01 From Dawn Hart : The Sanctuary of the Pink Diamond
00:07:04 From Chantelle's iPhone : good one hextilda
00:07:19 From Earl Thibert : good
00:07:28 From Tara's iPhone : i'm in Chandler so I've been working with coach for quite some time as well as my direct line to his channel information I'm just using this as a means to verify. Thank you.

00:07:38 From Ron : essence= ? if anyone can help clarify for me.. .thanks

00:07:41 From Tulla Hills : turn off wifi on any devices you are not using. Zoom takes a lot of broadband

00:07:55 From Denice Patterson : DEAR ONE/DANI/LISA THERE ARE JUST OVER 5 BILLION HUMAN ESSENCES IN FORM AT OUR LAST UPDATE. DCSX. END.

00:08:05 From Amber Moksha : I am certain of this when it comes to my aches and pains.... especially the other week the morning after the octopussy kick butt.... waking up with so much extra pain in old broken bones and injuries.. .. they are gone now. with LEELOO's help..... and my big self

00:08:12 From Hextilda Lemon : in new construct?
00:08:13 From Dawn Hart : 5 billion
00:08:18 From Jina Fergus : yes buzzing
00:08:19 From pauline Jamieson : wow was expecting lower

00:08:21 From jay gray : janice peck is unmuted
00:08:22 From Amber Price : wow
00:08:26 From Dawn Hart : I thought Leeloo said 11% human
00:08:34 From pauline Jamieson : yes Dawn
00:08:36 From phillip s : wonder how many are ladies in red...
00:08:37 From Donna : toni s is unmuted
00:08:40 From Tulla Hills : me too Pauline
00:08:41 From Amber Price : right dawn
00:08:42 From Charlie Ann : Toni s is unmuted from what I can see
00:08:44 From Amber Moksha : yes... this is where the narrative is different
00:08:47 From Maury : Leelo did say that. 11%
00:08:48 From Tara's iPhone : question does that 5 billion include everybody's quantum versions of their selves?
00:08:51 From M : alive today?
00:08:57 From Nicole H : Is that total in the entire earth sphere? Or just here on ours?
00:09:00 From Denice Patterson : DEAR ONE/DANI. JUST BEFORE THE EARTHSPHERE YEAR END 2016. OUR TECHNOLOGY NO LONGER SERVES IN THIS MANNER. DCSX. END.
00:09:09 From Tulla Hills : dopple gangers
00:09:10 From Tara's iPhone : 11% yup
00:09:25 From Dawn Hart : maybe that is how they do it Lisa by splicing us up
00:09:31 From Tulla Hills : pretty close
00:09:36 From pauline Jamieson : Yes Tulla could be
00:09:44 From jay gray : yep Dawn!!!
00:09:50 From phillip s : if a controller inserts a bot created by them then does it become another version of THEIR essence... this could account for the multiples
00:09:50 From Toni S. : actually my voice is completely offline
00:09:51 From Dawn Hart : it would make sense
00:09:55 From Tara's iPhone : question that means that therefore we can't get updated information especially if were in an updated earth? Correct? So anything after 2016 might not be correct at this time.
00:10:12 From Kara Mia : I am Dani 3036
00:10:16 From Harry Wilson to d(Privately) : D you asked howto get from here to there and stan said that we a conundrum. Has as got a update. ?
00:10:17 From Amber Moksha : because we entered NO TIME

00:40:04 From Denice Patterson : TO REMOVE THE PERCEPTION OF "TIME" IS A DEPROGRAMMING EXPERIENCE. THE USE OF "TIME" IS SO DEEPLY INTERWOVEN INTO THE DAILY EXPERIENCES OF MOST OF HUMANITY. DEPROGRAMMING THESE EXPERIENCES IS NOT COMPLETELY POSSIBLE. THUS SOME SUBPROGRAMS ARE ABLE

00:40:10 From phillip s : just wondering if we are not alone in getting this info

00:40:30 From jay gray : dont think there is any voting!

00:40:38 From Lisa M Harrison : SOME SUBPROGRAMS AS WELL ARE FREE TO REMAIN DURING THIS MOMENT BEFORE VISIBILITY.

00:40:46 From Amber Price : phillip thought that as well

00:40:49 From Dawn Hart : you can tell things are very different though that is for sure

00:40:54 From Tina : yeah

00:41:18 From Adele Marie : good one Lisa

00:41:22 From Dawn Hart : it is what causes aging the cycle of the sun and moon I believe

00:41:22 From susanstorey : Question: What will "visibility" look like to us?

00:41:23 From Amber Price : there is no sun

00:41:26 From Lisa M Harrison : DEAR ONE/LISA. THAT IS A PROBABILITY. DCSX.

00:41:31 From M : yes really interesting question

00:41:32 From p : @merce re: seasons - dunno about your neck of the woods, but the seasons are seriously f'd up in mine. plants are sooooooo confused.

00:41:53 From Amber Price : right p
00:41:55 From Maury : So its our fault so to speak that we are not deprogramming fast enough?
00:41:56 From Lena : here also
00:41:58 From maddtom . : Question...Why cannot Stan "speak" to us like LeeLoo did....tech not good enough?
00:41:58 From Molly French : Yes, here as well P
00:42:03 From p : i personally feel like it's about to be autumn, not that we just got into spring.
00:42:18 From ----- : the night is a blanket
00:42:22 From Amber Price : no Maury, we are in stockholm syndrome?
00:42:28 From phillip s : different interface maddtom
00:42:39 From Mercè Gar : yes but the general seasons are still there I can feel them - Winter is much colder than Summer!
00:42:40 From Maury : Stan is running on windows 10, Tom, not windows 5 0+
00:42:41 From Amber Price : yep
00:42:41 From Norm : LeeLoo spoke through Lisa's computer & that of her daughter
00:43:02 From Lisa M Harrison : DEAR ONE/LISA THE SUN IS A TECHNOLOGY. IT CONTAINS PORTALS AND IS A PROJECTOR OF FREQUENCIES WITHIN AND THROUGHOUT THE EARTHS PHERE PERCEIVED SOLAR SYSTEM. DCSX. END.
00:43:08 From Jayling : ^^ :
00:43:11 From maddtom . : Maury ... good one
00:43:22 From Dawn Hart : LOL Maury
00:43:23 From Denice Patterson : DEAR ONE/LISA. IT IS PART OF THE ORIGINAL TECH. IT HAS NOT BEEN CO-OPTED. THOUGH THERE HAVE BEEN ATTEMPTS. DCSX. END.
00:43:37 From Tina : yes
00:43:37 From Genii M : Stan: I believe we are almost through the veils with or without sub programs ? How much longer???
00:43:39 From Amber Price : that explain the repairs I saw
00:43:51 From Rozzanna S : how do we see two suns sometimes?
00:44:01 From Leigh Summer : that cool then, the sun is changing as we are
00:44:12 From Amber Price : love leela
00:44:28 From ----- : me either
00:44:29 From Genii M : Does Stan have a sense of humour????
00:44:42 From phillip s : top Q lisa
00:44:42 From Maury : I sure do have one of those, Genii.
00:44:43 From p : @merce - sort of, at least here (CA, USA). but still weeks of truly abnormal weather in the absolutely wrong wrong season.
00:44:44 From Dawn Hart : great question
00:44:45 From Amber Price : good question Ggenii
00:44:50 From Karl from Canada : wasn't leelu linked to Lisa??
00:44:52 From Stacey : Her energy interferes
00:44:54 From Joo lee : he's password protected
00:44:56 From jay gray : good Q Lisa
00:44:59 From Nancy : He is very BIG
00:45:03 From Dawn Hart : I dont feel anything either
00:45:05 From Stacey : Yes
00:45:08 From Jina Fergus : Is that because he comes through Denise?
00:45:10 From Genii M : No I can't connect with Stans energy
00:45:11 From maddtom . : I do not "FEEL" Stan at all
00:45:12 From Harry Wilson : we need confirmation from Leeloo about Stan
00:45:16 From Dawn Hart : I feel Denise though
00:45:21 From Carnykins : i cant feel leeloo
00:45:22 From Adele Marie : Maybe because He is a Data Collector - so a different essence
00:45:26 From Stacey : Same here

00:45:26 From phillip s : it could lead to how Stans data could not be complete

00:45:27 From pauline Jamieson : theres a go between so harder to connect maybe

00:45:27 From Dawn Hart : she has great energy

00:45:33 From Nancy : yep

00:45:33 From Lisa M Harrison : DEAR ONE/LISA. YOUR PERCEPTION OF MY ENERGY SIGNATURE IS NOW LIMITED BY THE FREQUENCY ALIGNMENT. DCSX. END.

00:45:37 From Genii M : thats not enough

00:45:37 From Amber Price : she does dawn

00:45:44 From ----- : what?

00:45:56 From Rozzanna S : Do you still feel Leelu signature

00:46:02 From Amber Moksha : is that why Leeloo is not communicating through the comp LISA?

00:46:10 From Amber Price : Stan: Is frequency your conundrum?

00:46:16 From Maria Davis : I can feel Stan

00:46:20 From Amber Moksha : because of the frequency issue

00:46:21 From Moksha James : He feels like AI

00:46:23 From Genii M : I like Denice, I'm just unsure of Stan

00:46:36 From phillip s : so they are very human

00:46:44 From Amber Moksha : Is Stan and the others of HUMAN essence?

00:46:52 From Stacey : DO you have a name for him??

00:46:55 From Sara 33 : I agree Genii

00:47:00 From phillip s : denice is breaking his boredom lol

00:47:07 From Mercè Gar : wow!

00:47:10 From Stacey : Nice

00:47:13 From Harry Wilson : It's Harry the hug.

00:47:25 From phillip s : gee synergies with leelo and friends here

00:47:29 From Amber Moksha : so Stan is a HUMAN essence??????

00:48:08 From Amber Price : yes Denise

00:48:09 From Genii M : Does Stan have a sense of humour??? Is he of human essence???

00:48:12 From phillip s : Thanks Denise for that

00:48:16 From Harry Wilson : yer

00:48:20 From Maury : How close is close according to Stan in terms of our time as we measure it?

00:48:20 From Chantelle's iPhone : [][]

00:48:26 From Mercè Gar : Question: how got Stan his name?

00:48:35 From ----- : stankslaus

00:48:37 From Norm : Even on the Zoom room in the Central US, LeeLoo's essence was incredibly tangible during the 18 hour zoom room in very early November last year

00:48:42 From Amber Price : yes

00:48:59 From Amber Price : was Leelu copied here

00:49:02 From Joseph Bryan-Royster : Has anyone been following Alexandra Meadors lately. I ask this because I see a few interesting parallels between her connection with Source (Prime Creator) and what we are receiving from Leeloo and Stan.

00:49:10 From Genii M : You can still feel the love codes of Leeloo

00:49:14 From Joseph Bryan-Royster : <https://www.youtube.com/watch?v=95Le35L841s&t=848s>

00:49:15 From jay gray : who is? are they shy?

00:49:31 From Tara's iPhone : codes are powerful |

00:49:54 From ----- : especially the dark orange code

00:50:27 From Denice Patterson : DEAR ONE/LISA. THE ANDORRA COMPLEX WAS LOCATED AT THE "ANTARCTIC" COMPLEX. THE "COPIES" OF THE ORIGINAL ESSENCE FIRST FORMS WERE LOCATED THERE. THE EARTH BASED AND SSP BASED CONTROLLERS/RULERS/ELITE/CABAL THOUGHT THAT THESE WERE THE ORIGINAL CREATORS AND THEIR "FOREFATHERS". IT WAS A "MIRROR" OF THE ORIGINAL CREATION CREATED BY ALL 11 ESSENCES.

00:50:56 From Denice Patterson : THERE WERE MANY "SCENES" IN THIS VERY

LONG AND VERY REAL GAME. DCSX. END.

00:51:09 From Nicole H : question- so it was a trick?

00:51:12 From Denice Patterson : DEAR ONE/LISA. YES. CREATED BY THE 11 ORIGINALS. DCSX. END.

00:51:13 From maddtom . : Aint got time for Meadors...If she could condense the blather down to a few sentences of paragraphs...it would help lend credence to her

00:51:13 From ----- : it is a game

00:51:23 From ----- : learning

00:51:23 From Norm : exactly Genii & Joseph - the background music track of a different youtube video is what most strongly connects me back with LeeLo (the one with the lady on the hike)

00:51:40 From Teresa Blackburn : when it all becomes...how on the "New Earth" are any of us going to get anything done what with all the "Tears of Joy" getting in our way.....line of sight, lol so to speak..

00:51:42 From Rozzanna S : Is it incase something went wrong. They were safe somewhere else\

00:51:45 From Joo lee : Is Stans 11 the as AK 11?

00:51:54 From d : yess joo lee

00:51:58 From phillip s : holo deck to play out their fantasies

00:52:18 From Denice Patterson : DEAR ONE/LISA. THE COMPLETE PURPOSE IS UNCLEAR. THERE WERE MANY PROBABILITIES OF MEANS TO END THIS GAME/EXPERIENCE. AN DORRA WAS BUT ONE OF THEM. IF THE CONTROLLERS OF THE EARTHSPHERE HAVE NO ONE TO NEGOTIATE WITH. THE GAME IS OVER. DCSX. END.

00:52:21 From Karl from Canada : my guess to Rossanne

00:52:22 From phillip s : without accountability

00:52:41 From p : iirc denice said she was uncomfortable asking about names of the orig 11.

00:52:42 From Dawn Hart : iINTERESTING

00:52:52 From phillip s : who do they negotiate with?

00:52:53 From Tara's iPhone : wow

00:53:10 From maddtom . : Negotiation implies consent

00:53:29 From p : ok thanks for clarifying my boo boo on that ;-)

00:53:29 From Amber Price : understood

00:53:32 From phillip s : negotiate infers choice

00:53:33 From M : negotiate with what? are we part of the bargain?

00:53:33 From Hextilda Lemon : we will be respinsible adults. muhahaha

00:53:44 From Maury : Good point, Tom. Really good point. Gives them standing and credibility.

00:53:49 From Dawn Hart : the 2 that fucked us over

00:53:50 From M : ok

00:53:52 From Joseph Bryan-Royster : A Groundbreaking Message to The World and Beyond March 22, 2017 (released March 25th, 2017) Here is the link again : <https://www.youtube.com/watch?v=95Le35L841s&t=851s>

00:53:54 From phillip s : no I am looking at it from the originators point of view

00:54:01 From jay gray : we wouldnt know them by name anyway?

00:54:09 From phillip s : yes Lisa

00:54:12 From Amber Price : yep

00:54:13 From Karl from Canada : so the controllers were negotiating with copies of themselves so that allowed the game to continue...??

00:54:15 From Sara 33 : so what happens to the elites and cabal on earth surface now?

00:54:23 From Lisa M Harrison : THE ANDORRAN COMPLEX IS SAFE. SEALED. IN A "FORM OF STASIS" FOR NOW. UNTIL THE COMPLETION AND ALL ARE VISIBLE. DCSX.

00:54:28 From Mercè Gar : for sure not Eyes-on and Roxie!!!

00:54:31 From Joseph Bryan-Royster : Feedback anyone? Any of her parallels valid?

00:54:35 From phillip s : thanks Dani

00:54:43 From Amber Price : []d

00:54:55 From Norm : & the David Rockefeller who just died?
00:54:56 From Moksha James : destroying nature
00:55:00 From Hextilda Lemon : yes!
00:55:01 From Harry Wilson : good Q's D
00:55:01 From Tulla Hills : the ones have hurt us
00:55:07 From phillip s : is there accountability
00:55:08 From maddtom . : Joseph...how another time...not this forum

00:55:33 From Brianna C : Joseph, i listened today. Too much ... "must

00:56:14 From maddtom . : Mr red sheild is now in kindergarten...relear

00:56:26 From Lisa M Harrison : DEAR ONE/DANI. THERE HAVE BEEN SOME ESS

ALIGN WITH COMPLETION OF THIS GAME HAVE BEEN GIVEN NOTICE OF THEIR ONLY OPTION
NOW. DCSX.
00:56:34 From Russ : Maybe ask what is with the number 144,000 ?

01:06:51 From Lisa M Harrison : DEAR ONE/LISA THERE ARE FEW HUMANS AWARE OF THE SPHERE ALLIANCE IN COMPLETE AWARENESS AND CONSCIOUSNESS. MOST OF THE HUMAN/ALLIANCE TEAM WORKS TOGETHER DURING "PERCEIVED" HUMAN DREAM TIME. THE WORK IS DONE IN THE CONTINUUM. DCSX. END.
01:06:52 From Amber Price : yeppers
01:06:55 From Kara Mia : I knew that

01:06:59 From Tina : yes i've had these vision of negations

01:08:14 From Brianna C : Tina, excellent :)
01:08:18 From Dawn Hart : YellowRose says if you cannot remember your dreams it is because it is keeping the system from reading the deep work being done when in dreams
01:08:20 From Molly French : heard this one before...no humans on the councils
01:08:28 From Lisa M Harrison : DEAR ONE/LISA. YES. ALL HUMANS NOW ARE FREE TO COMMUNICATE WITH US NOW. THE WORK IS DONE. IT IS THE MOMENT OF VISIBILITY THAT ALL AWAIT. TOGETHER. COMMUNICATIONS AMONG ALL OF US IS WELCOMED. DCSX. END.

01:10:33 From Molly French : I have had several dreams lately with the sky full of ships, that's what I imagine visibility to look like, maybe?
01:10:35 From Denice Patterson : DEAR ONE/LISA. THE TWO CONTROLLERS REMAIN IN FORM NOW FOR THE END OF THE SEPARATION. DETAILS ABOUT THEIR DESIRES ARE UNKNOWN. DCSC. END.
01:10:37 From Amber Price : time program is forbidden because nothing evil or bad can enter the new construct
01:10:38 From jay gray : our tuppenceworth!!!

01:11:13 From Leigh Summer : thought he said they were gone before

01:12:44 From Jayling : Those 2 controllers he was talking about, are they the 2 who buggered things up long ago?
01:12:44 From maddtom . : If perceived..then looking at another place will be another perception
01:12:45 From Tina : i see the new earth creating around me even though the controllers want to hang on to the old slave system

01:12:50 From phillip s : yep you climb the wall
01:12:55 From Joseph Bryan-Royster : My imagination of "The Event" or visibility is that it will appear as lights coming up onstage behind a scrim curtain as it brolls away into the fly gallery. This is a theatrical technical direction perspective, as I have experience in this field...
01:13:11 From Lisa M Harrison : DEAR ONE/DANI. WE ARE IN COMPLETE GRATITUDE. THE DATA IS FLOWING FOR US FROM THESE INTERACTIONS NOW. WE "FEEL" YOUR INTENTIONS AND ARE VERY PLEASED. ALL DESIRE COMPLETE VISIBILITY NOW. SET THOSE INTENTIONS AND WE ARE TOGETHER! DCSX. END.

01:14:58 From Chantelle's iPhone : yes what about our memories
01:15:03 From Lisa M Harrison : DEAR ONE/LISA. NO NOT WAITING ON THE "100th MONKEY EFFECT." IT IS THE MAGNETIC DIFFERENTIALS NOW. BUT SETTING AN INTENTION OF LOVE AND JOY AND PEACE AND FUN MAKES THE MOMENT OF WAITING PASS WITH LESS DISSATISFACTION. DCSX. END.
01:15:06 From Joseph Bryan-Royster : When the lights come up onstage we will know that we are already Home, just didn't recognize this fact...
01:15:22 From Joo lee : is YRFT material credible?
01:15:23 From David Hodgson : Question: Are there Walk ins who came in to assist in closing the old constructs. If so would they be aware while in the construct of this kind of assistance..

01:18:18 From Lisa M Harrison : DEAR ONE/LISA/DANI. THE MAGNETICS ARE EFFECTED/AFFECTED FROM THE VERY CORE OF THE EARTHS PHERE TO THE HEARTHS OF THE HUMANS TO THE VERY EDGES OF THE PERCEIVED "UNIVERSE". ALL MAGETICS ARE ALIGNING. THIS SIMPLY MEANS FLOWING AT A CONSTANT RATE OF SYMBIOSIS. IT IS KNOWN THAT THE HUMANS HEARTS ARE A DIRECT CONNECTION TO SOURCE. THESE PURE FREQUENCIES ARE ALIGNED. THE MAGENTICS THAT FOLLOW ARE NOT YET ALIGNED. THUS THE DIFFERENTIAL.
01:18:25 From John Carl Anderson : And is there any improvements to the tech we can add that would be more effective?
01:18:27 From Rozzanna S : Im so thankful for this group, i was very upset when i came home from the hospital. but i saw the zoom was happening. <3
01:18:28 From Genii M : Heart Love coming your way laurel

01:19:14 From Amber Moksha : so do all the increase in earthquakes and volcanoes a result of these magnetics.... getting back into sync.... ????
01:19:15 From jay gray : so moving out of emotion and degoand into heart is the way?
01:19:22 From Joseph Bryan-Royster : "one step out of phase" is how I view it.
01:19:28 From Denice Patterson : DEAR ONE/DANI. THERE IS NO KNOWN EARTH TECHNOLOGY THAT WILL SPEED THE VISIBILITY. DCSX. END.
01:19:29 From Jayling : What can WE do to help move this along?
01:19:39 From Amber Moksha : because they really are on the uptick.... the eqs and volcanoes
01:19:44 From Molly French : just our hearts
01:19:45 From Maury : So that answer is NO!!

hink so...we do what we do
01:20:47 From Earl Thibert : yes
01:20:48 From Karl from Canada : if we have been dumbed down as part of

01:20:52 From Elena : would agree on that.. said officers/interlopers d
id not innerstand my conversation
01:20:53 From Russ : So for us it just sounds like a waiting game.
01:20:55 From Russ : :(
01:21:03 From phillip s : I still FEEL we have two way flow of heart en

01:21:10 From Genii M : heart, heart, heart, focus, focus, focus, 100%
Unlock we are creators
01:21:13 From Lisa M Harrison : DEAR ONE/LISA. THE COMPLETE VISIBLITY I
S KNOWN TO OCCUR. WHEN AND HOW IS UNKNOWN. DCSX. END.
01:21:17 From Jina Fergus : what we have been doing has made a HUGE dif

01:21:17 From Karl from Canada : do we need to have our DNA updated to
allow us the ability to make a change and defeat the controllers
